

Logo and Branding Terms of Use

1. This document is intended to be used in combination with the **Carbon Neutral Brand Toolkit**.
2. Carbon Neutral logos and branding (**Branding**) are the exclusive property of Carbon Neutral. Parties requesting permission to use or display Carbon Neutral Branding must complete this **Logo and Branding Terms of Use application** and submit a signed copy via email to Carbon Neutral at contactus@carbonneutral.com.au for approval.
3. All parties using or displaying Carbon Neutral Branding must agree in writing to the following Terms of Use (Terms). Any use or display without prior agreement to these Terms will be treated as a violation of Carbon Neutral's intellectual property rights.
 - i) Authorised Users are not permitted to use Carbon Neutral's **Master Logo** under any circumstances. Carbon Neutral allows Authorised Users to use relevant variations of its Master Logo, which include the word '*supporting*'. This term reduces risk associated with overstating green claims. Only those variations contained in the **Carbon Neutral Brand Toolkit** may be used.
 - ii) Authorisation to use or display Carbon Neutral Branding is contingent upon pre-approval by Carbon Neutral of samples of the proposed use(s) of the Branding submitted via email (Approved Use). Carbon Neutral's approval must be granted **prior to** a Party publishing any material (either in print or digitally) featuring Carbon Neutral Branding.
 - iii) Authorised Users must only use or display the Branding as set out in these Terms and by the **Carbon Neutral Brand Toolkit**.
 - iv) Once an Approved Use has been granted by Carbon Neutral, the applicant becomes an Authorised User until such time as approval is revoked by Carbon Neutral, or the Authorised User does not comply with clause 4 (i) and (ii) of these Terms.
 - v) Carbon Neutral may authorise a third party (for example designer or web developer) to use or display Carbon Neutral Branding on digital or printed materials which are produced or maintained by, or on behalf of, the Authorised User, in connection with their services.

- vi) Carbon Neutral may place restrictions on use of its Branding, or reconsider a usage approval, at any time if it considers the Branding usage contravenes the Approved Use.
- vii) Logo use is not permitted on products. Product placement or product endorsement is **not permitted** unless a specific, stand-alone product placement agreement has been expressly entered into with Carbon Neutral. Product placement approval usually requires that an LCA for that product has been conducted.
- viii) Carbon Neutral may, where it considers it reasonable to do so such as clause 4 not being met, restrict, amend or cancel its authorisation for an Authorised User to use or display its Branding, by written notice to the Authorised User, who must **within 30 days** of the notice comply with the restrictions, amendments or cancellation.
- ix) Carbon Neutral may monitor an Authorised User's compliance with these Terms. Upon reasonable request, an Authorised User must promptly provide Carbon Neutral with copies of the printed or digital sample(s) and other materials on which Carbon Neutral Branding are displayed.
- x) Authorised Users must always act in good faith and refrain from engaging in misrepresentations or fraudulent activity in any transaction or dealings with Carbon Neutral. Authorised Users must at all times avoid any behaviour that would be reasonably expected to damage the reputation of Carbon Neutral in particular or the carbon market in general.
- xi) The Authorised User acknowledges that the ownership of all rights to Carbon Neutral Branding remain with Carbon Neutral.
